## Voting - Our Right

Therese Cox, Senior Outreach Coordinator from the Secretary of State's Office, visited with us on September 15th. She brought a voting machine with her, so that our residents could practice and see how the machine worked. For those wishing to vote early, we made our first trip to the courthouse on Thursday, October 23, 2008. We will make another trip on October 30th, and then on November 4th, we will provide transportation to our precinct at Cabell Midland High School.

## Preparing for Flu Season

It is that time a year again . . . cold & flu season! We had a flu shot clinic here at **Midland Meadows** on October 27. Your loved ones received their shots, as indicated on doctors' orders. Please remember to protect your loved ones when you visit. If sick, consider waiting until you are better. Good hand washing is essential. How long is good? Sing Happy Birthday while washing. Antibacterial hand soap and paper towels should be in all apartments.

## Staff Fund Raising

We had our first rummage sale on Saturday, October 4th. A little over \$300 was raised. This was a fund raiser for the **Midland Meadows** Employee Fund. Our employees have used this fund for donations to the Alzheimer's Association. They also are working on our employee Christmas Party. All rummage left at the end of the day was taken to Goodwill.

## Holiday Giving

In the past, as the Holidays near, we have had families approach us about gifts for our employees. We encourage families to purchase something that can be enjoyed by all the staff, such as tins of popcorn, boxes of candy, etc. Donations can also be made to the Employee Christmas Party for door prizes.
