

Happenings

July 2009

Employees Of The Quarter

For 1st Quarter 2009, our two employees for the quarter are Cindy Poston and Jessica Jeffrey. We are very proud to have these two ladies a part of our Midland Meadows family.

Cindy Poston is one of our nurses, working dayshift and evening shift. She is a Licensed Practical Nurse. Cindy has been with us one year. She received her nursing education from Cabell County Vocational School. She is married to Will Poston and has one daughter.

Jessica Jeffrey is a Resident Assistant working evening shift. She has been with us one year and seven months. Jessica graduated from Guyan Valley High School, attended Marshall University and has a certificate in Phlebotomy. She is a single lady (in a long-term relationship).

Resident Spotlight Phyllis Beverly

Phyllis became a teacher late in life. She took classes in Tennessee, Iowa, finally got serious when the family moved to West Virginia and was told "finish the program now or you'll lose all your former credits." She graduated from Morris Harvey College in Charleston, WV and then taught 3rd grade at Ravenswood Grade School for 30 years. While there, she started a program to teach her students Spanish, even though she did not speak the language herself. Phyllis really got involved in the Conservation Movement and formed an alliance with a community Grange Club. Her students would consistently win awards for landscaping projects, recycling projects, etc. When asked her favorite thing about teaching, Phyllis said with a smile, "lunch!" She laughed, then stated that the children were definitely her favorite thing.

Upcoming Special Events
