Luau Celebrations

Our residents and families celebrated the 2 year anniversary of Midland Meadows Senior Living with a Hawaiian Luau on September 12th. Entertainment was provided by Elvis impersonator Guy Weatherholt and the Samadhi Belly Dancers. The Midland Meadows choir also performed and did their own renditions of "Tiny Bubbles" and "Blue Hawaii." The children enjoyed playing on the inflatables and everyone loved the food that was catered by Famous Daves. Thanks to everyone who attended and for those who helped with the Luau in any way. We have such a loving group of residents and staff here, and that's what makes Midland Meadows "the place we gladly call home."

Awards Received

Midland Meadows was recently presented with two awards at the annual WV Assisted Living Conference in Morgantown. An **Achievement Award for no deficiencies** on the Annual Licensure Survey and the award for **WV Assisted Living Residence of the Year**. There were 110 communities with 25 beds or more competing for the Residence of the Year Award. Congratulations on an outstanding achievement!
