March 2011

Congratulations, Gary and Christine for being chosen our 2011 Valentine's Day King and Queen!

## Mothers' Day Luncheon

**Our annual Mothers' Day Luncheon is tentatively scheduled for Saturday, May 7th. Be watching for the confirmed date, time, and entertainment. Amy is working on the final arrangements.**

## Valentine's Day

Everyone had a good time at our annual Valentine dinner on February 14th. Residents enjoyed dining by candle light and listening to the beautiful music of harpist Harriet Peters.

The highlight of the dinner was the crowning of our Valentine King and Queen voted on by the staff at Midland Meadows. This year's winners are Gary and Christine Keys. Gary and Christine are from Barboursville and have lived at Midland Meadows since September 2007. They were married in 1949 and have two children, Karen and Vince, who both live in the Barboursville area. They have 4 grandchildren and 4 great grandchildren and enjoy their visits. Gary and Christine are members of Kuhn Memorial Presbyterian Church in Barboursville. At every opportunity, they love to cheer on THE HERD.
