Private Dining Room

We would like to remind everyone that our private dining rooms in both buildings and our training room in The Meadow House can be reserved for special events through our dietary department. If you would like to schedule a birthday party, anniversary celebration, brunch, luncheon, reunion or any other occasion, contact Denise, our Dietary Manager, at 304-654-4844 or denise.johnson@midlandmeadows.com.

Meadow House Private Dining Room

Spreading Holiday Cheer!

Bob Gorham received a special surprise when he returned to his cottage after lunch one afternoon. As he came in the door, he noticed a glow coming from his living room and wondered what it could be. As he got closer, he noticed a small Christmas tree sitting on the table, Christmas lights draped in front of his TV, and a wreath hanging on the door to his deck. A note was found near the tree that read, "Merry Christmas from your elves at The Meadow House." Bob said, "Wonder, astonishment and joy rapidly flashed through my mind as I viewed the above scenario. The episode gave me the boost into the Christmas season that I so sorely needed. Thank you, Elves, for the demonstration of what Christmas is really all about."

Decorating Contest

Congratulations to The Meadow House for winning first place in our Christmas decorating contest. Residents and staff worked hard at making the Grinch's Whooville come to life at The Meadow House. Second place went to the East Wing Nurse's station for their Candy Cane Lane theme and third place went to the West Wing Nurse's station for their Winter Wonderland theme. Thanks to everyone who participated for generating extra fun and excitement for the holiday season.

Alzheimer's Support Group

We will be hosting our first Alzheimer's Support Group on Tuesday January 28th at 2:00 PM and 6:00 PM. We are having two different meetings to accommodate as many people as we can. Our first meeting will be a "meet and greet" for all families to get to know one another and to share their personal story of their loved ones journey with Alzheimer's Disease or dementia. Our future meetings will consist of guest speakers from local hospitals and organizations who specialize in Alzheimer's Disease and dementia related issues. If you would like to attend our first meeting, please **RSVP by January 20th** by calling **304-743-8994**.
