

## Celebrating Mom's At Our Mother's Day Open House

Thanks to everyone for making our Mother's Day Open House a huge success. Our residents and family members from both communities enjoyed socializing with each other in our spacious conference room while entertainment was provided by violinist Hannah Burbery and pianist Henning Vauth. Denise Johnson and the dietary staff provided a nice selection of hors d'oeuvres, and family photos were taken by Darrell and Gan Bledsoe. We are thrilled to finally have a room specifically designated for events such as this and look forward to many more in the future.
