Employee of the Quarter

Angela Anderson is a Resident Assistant in the Meadow House and has worked at Midland Meadows for almost one year. She grew up in Parkersburg, has an Associate Degree in Travel and Tourism, and resides in Barboursville. Angela has one son, a student at Marietta College majoring in Petroleum Engineering and playing on the college football and baseball teams. Angela has many hobbies and interests including animals, cooking, yard work, holiday decorating, working out and photography. She enjoys the challenge of dealing with the unpredictable on a daily basis, then finding a beneficial solution for the residents.

Angela is also a true believer in "paying it forward" and that is so obvious by her positive attitude and genuine love of what she does for our residents. Thank you for your hard work and dedication, Angela. You truly deserve a "woo hoo!"
