

Happenings

January 2015

Employee of the Quarter

Brittney Casto is a resident assistant in our certified memory care unit and does outstanding work! Brit is originally from Catawba, North Carolina. She currently lives in Ona, West Virginia, which was quite a move. We are fortunate to have her working with our special residents. When she is not at work, Brit enjoys an interesting hobby — collecting bikes! She also enjoys looking for antique cars. Brit works above and beyond for our residents and definitely deserves our appreciation for the work she does. Way to go Brit!

Employee of the Quarter

Lisa Swann works in housekeeping and laundry at Midland Place, usually on the west end of the community. Lisa was originally from Lewisburg, West Virginia and currently resides in Barboursville. She is married to husband George and together they have three children, Ben, twenty-two, Timothy, sixteen, and Gloria who is thirteen. Lisa enjoys gardening in the summer and taking walks outside with her family. We appreciate all of the hard work Lisa does for our residents. We are so lucky to have her as part of our team!

Happy Anniversary Irvin & Doris

Irvin and Doris Wells celebrated their 72nd wedding anniversary on January 14th, 2015. The couple met through a mutual friend, Harold Messick, when Doris was seventeen and Irvin was twenty-six. The couple have two children, Barbara with her husband Wayne, and David with his wife Patty. Also, Irvin and Doris share four grandchildren and six great grandchildren. The staff, residents, and family were so blessed to celebrate this joyous occasion with the pair, and we wish them many more! Congratulations to Doris and Irvin Wells, a very special couple.

Holiday Celebration

Midland Meadows enjoyed a joyous Christmas open house with family, friends, and residents. John Eric Booth entertained us at Midland Place, and Bobby Maynard and family had everyone participating at the Meadow House. Santa visited all our residents on the 23rd with everyone receiving gifts. A special thank you to staff, family, and friends who took names off our "Angel" tree and supplied the gifts. The smiles on our residents' faces were wonderful!
