We Love A Parade!

Fall is in the air at Midland Meadows! Barboursville held its annual fall parade on September 17th and we got to celebrate with them. A group of residents rode in our trusty bus through downtown Barboursville and tossed candy out to all the patiently waiting children. This was a fun event for all! We are so lucky we have a community we can celebrate and have fun with! We will see you next year, Barboursville!

Annual Picnic Fun

Mother Nature was not on our side at the annual family picnic this year, but we didn't let the rain and cold dampen our fun! Though the outside events were cancelled, we still had live music and a good meal in the dining room. Our very own Bethany Beckett and her group *Kept and Protected*, John Eric Booth, and Lee Dean and the *Mud River Praise Band* put on a show for the residents and families to celebrate Midland Place turning eight and the Meadow House turning two! We want to give a special thanks to the entertainers who made this day special, and also to the staff, families, and of course our residents who make Midland Meadows the great place that it is!

Meet Tyler Slone

Tyler Slone is an energetic and outgoing individual, originally from Lenore, WV. Now living in the Barboursville area, Tyler works hard as a college student in the Radiology-Tech program. He also

works full-time hours with us here at Midland Place as a Nursing Dept. RA, on day and evening shifts. "I love being around my residents. They make me smile, when they smile. I want my chance to make a difference in healthcare; it has been my dream." When putting school and work aside, you can find Tyler anywhere outdoors. He enjoys taking walks and scenic drives with his boyfriend, exploring new places, and making every new experience worth while.

'Tis the season for holiday events at the Meadows! Our annual open house will be held on December 19th from 1:30-3:30pm. Join us for refreshments and entertainment to celebrate the Christmas season. Please remember to RSVP with Emily Childress at (304) 743-8905 or at (740) 547-9641. We hope to see you here celebrating the holidays with loved ones and friends!
